ALKRO PRO

TANKLESS REVERSE OSMOSIS FILTRATION SYSTEM

ALKRO PRO

IDEAL FOR HOME AND WORKPLACE

- State of the art tankless Reverse osmosis.
- Compact in size no tank is required.
- Latest Membrane technology capable of producing 400 Gallons Per Day.
- Continuous production output Reverse Osmosis Systems.
- Not limited to the Quantity collected by storage tank compared with conventional systems.
- LCD monitoring display.

Usage: home, office and commercial.

Suitable: for general drinking, Cooking, soda, baby formula, cordial etc.

COMPACT MULTI-STAGE STATE OF THE ART REVERSE OSMOSIS SYSTEM:

REMOVES 99.9% OF CONTAMINANTS SUCH AS CHLORINE, FLUORIDE, LEAD, BACTERIA, ORGANIC MATTER, VIRUSES, CHEMICALS, HEAVY METALS, DISSOLVED SOLIDS (TDS) & VOCs

STAGE 1: PP high output sediment filter

STAGE 2: Coconut shell activated block carbon filter

STAGE 3: Reverse osmosis membrane 400GPD

STAGE 4: Polishing filter

STAGE 5: Alkaline ionizer (Optional)

STAGE 6: High Quality faucet and fitting Components.

RP \$3,000

400GPD
Continuous Flow

1.2 L/min
Water Flow

1278 L/d
Water Capacity

4 stages of filtration system:

WITH FILTER CHANGE REMINDER

BUILT IN BOOSTER PUMP DESIGNED FOR THE ALKRO PRO 4000 SYSTEM

The Booster Pump is specially designed for compact residential Alkro Pro water Purifier to save space but have the same function with the regular pump.

Its' water pressure level maximizes the number of gallons produced per day while minimizing the amount of waste water sent to the drain.

ALKALINE IONIZER SYSTEM

Oxygen rich to neutralise positive charged free radicals, strengthen immune system and promote anti-aging. Makes water ORP anti-oxidant.

Makes ionized alkaline water with a PH of 8-9.5 to assist in the detoxification of acidic waste from the body to improve hydration.

Adds healthy minerals such as oxygen, calcium, potassium, magnesium, vitamin C. Even your pets & plants would love it!.

RP \$280

1. EFFECTIVE WAY YOU CAN HELP SAVE WILDLIFE AND MONEY
2. SAFEGUARD YOUR FAMILY FROM HARMFUL EFFECTS FROM CONTAMINATION THAT COMES FROM TAP AND BOTTLED WATER
3. UNLIMITED SAFE SUPPLY OF GREAT TASTING WATER AT YOUR FINGER TIP
